

Airspace Projects acknowledge the Traditional Custodians of the land on which we stand today, the Gadigal and Wangal people of the Eora Nation. We would like to pay our respects to their Elders, past, present and ever emerging. We would also like to acknowledge all other Aboriginal and Torres Strait Islander people who come to the gallery to participate in its program of exhibitions and events. Sovereignty was never ceded

ALONG THE RIVER

Artists Francesca Arestides, Thomas Blaxland Ashby, Costa Davis, Bridget Kelly, Pranay Peter, Kit Wennerbom and Thomas Zell

Curators Emilio Cresciani and Aroha Smith

12.1.24 – 28.1.24

A group of artists did a series of photo walks along the Cooks River, funded by an Inner West Council grant.

They explored the unique aspects of the river catchment, stopping along the way to find the places and points of interest that resonated with them.

They experimented with a variety of cameras (film, smartphone, large format) and camera-less techniques, led by professional artists including Remi Siciliano and Molly Wagner.

The resulting images reflect on the river ecosystem and the contrasting industrial remnants and natural beauty. They draw attention to the things and places that we sometimes overlook. They highlight the interaction between place and people, photographic process and print.
